

Buyers are Falling in Love with a New Isola Bella Estates Home by Anasca Homes

LAKE WORTH, Fla. – Leading south Florida builder Anasca Homes is now offering buyers immediate delivery and new homes under construction at Isola Bella Estates, an estate home community in Lake Worth.

“Our community is very intimate with only 209 homes providing lots of privacy,” said Elizabeth Nero of Anasca Homes. “Residents fall in love with what Isola Bella Estates offers that other builders do not. The difference is in the value, upgrades and amenities.”

Isola Bella Estates is now offering three immediate occupancy homes from the low \$400's and six, brand-new homes under construction. Choosing a home from Anasca will present a buyer with thousands of dollars in savings and closings costs.

Home features such as hurricane-resistant impact glass, upgraded appliance packages, Saturnia marble or granite in master baths and built-in master bedroom closet systems are always included in an Isola Bella Estate home.

The new plans and new move-in ready homes are highlighted by the latest design features including oversized kitchen and family rooms, impact glass windows, upgraded gourmet kitchens with granite countertops, built-in stainless steel appliances to include a built-in 48" refrigerator, concrete-block construction with acoustical gypsum concrete subfloors on all two stories and much more. Media rooms, covered patios, three-car garages, and all the latest design trends have been incorporated into the new home designs.

As a result of the sell out of the move-in ready Botticelli home, Isola Bella Estates is offering the two-story, 4,772 square-foot home for new construction. For only \$479,900, the new floorplan highlights five bedrooms plus study, four bathrooms, three-car split garage, living and family room, formal and casual dining room, covered patio and entrance.

The two tennis courts and basketball court provide recreational outdoor fitness as an alternative to the gym.

With Palm Beach County's A-rated school system, combined with the surrounding area's year-round shopping, dining, sports and recreational opportunities, [Isola Bella Estates](#) is recognized as an extremely desirable community, offering the added convenience of easy access to major roads.
