With Steady Sales All Summer Long, Anasca Anticipates Strong Autumn Home Sales at Isola Bella Estates

Anasca Homes, one of Florida's leading builders, has seen steady home sales all summer long at their impressive and established Palm Beach County estate home community, Isola Bella Estates. In fact, Anasca is currently selling a minimum rate of a home a week at Isola Bella and the homebuilder is looking forward to a strong fall and winter.

The reasons, according to Anasca, are a combination of today's homebuyer preferences, the current prices at Isola Bella Estates – which represent better value compared to 2000 prices – and a superior product line, which showcases exceptional new estate homes loaded with superior features priced from the \$300,000's to the \$600,000's.

With homebuyers who are looking for outstanding value, a new home versus a previously owned home will often represent getting more for less. Buyers who are wary of the potential pitfalls and unexpected expenses of REO (real estate owned) foreclosed and defaulted properties can instead purchase a gorgeous new single-family home at Isola Bella Estates, highlighted by in-demand design features including oversized gourmet kitchens with granite countertops and upgraded appliance packages, and impact-resistant windows, at a great price. Low mortgage interest rates continue to add to the affordability of these extremely popular estate homes.

At Isola Bella Estates, homes are beautifully equipped with an abundance of included features, including state-of-the-art kitchen appliances, including a G.E.® kitchen stainless steel appliance package with a built-in combination double oven; sensor control microwave, and 48" stainless steel side-by-side refrigerator with "Quick Ice" setting and Child Lock option. The homes feature a steam pre-wash dishwasher with dedicated silverware spray jets, an accompanying 36" Profile cook top and a Monogram 36" stainless steel hood. The deluxe laundry room includes Profile Harmony Energy Star washer and matching dryer, plus above and below storage cabinets and a drop-in laundry sink as standard.

Isola Bella Estates also offers homebuyers a prime location. With access to Palm Beach County's excellent A-rated school system and year-round shopping, dining, sports and recreational opportunities nearby, Isola Bella Estates features the added convenience of easy access to major roads.
